"From the earliest times the law has enforced rights and exacted liabilities by utilizing a corporate concept - by recognizing, that is, juristic persons other than human beings. The theories by which this mode of legal operation has developed, has been justified, qualified, and defined are the subject matter of a very sizable library, The historic roots of a particular society, economic pressures, philosophic notions, all have had their share in the law's response to the ways of men in carrying on their affairs through what is now the familiar device of the corporation ---- Attribution of legal rights and duties to a juristic person other than man is necessarily a metaphorical process. And the none the worse for it. No doubt, "Metaphors in law are to be narrowly watched. "Cardozo, J., in *Berkey v. Third Avenue R. Co.*, 244 N.Y. 84, 94, "But all instruments of thought should be narrowly watched lest they be abused and fail in their service to reason." See *U.S. v. SCOPHONY CORP. VENDOR ON-BOARDING
& Utility Service Contract

SOVR Development Holdings LLC

Prepared By: Legal Representation of SOVR Empire

Date: June 4, 2025

Subject: Utility Service Reinstatement – Trust-Based Property Management

To: California Water Service Company
Attn: Legal Department / Compliance Officer

This letter serves as formal notice of vendor on-boarding and service contract initiation between **California Water Service Company** (hereafter “Vendor”) and **SOVR Development Holdings LLC** (“Manager”), as the authorized managing entity of the trust currently holding all beneficial interest in the real property located at 3704 Loudon Street, Bakersfield, CA 93313.

Effective immediately, the property has been lawfully placed into a private trust estate. All matters relating to utility service, settlement of obligations, and account management shall now be directed to **SOVR Development Holdings LLC** on behalf of the trust (**GM FAMILY TRUST**).

The current resident, Mr. Gustavo Orona Maldonado, acts in full legal capacity as the trustee-appointed agent authorized to conduct transactions, submit payments, and enforce contract rights related to this property.

Refusal to onboard this relationship or continue service under trust-based presentment constitutes a violation of recognized public utility ethics, commercial standards, and **federal anti-discrimination protections** — especially in the case of a legally disabled minority resident surviving on a fixed income. Denial of water access, when value has been lawfully tendered and un-rebutted, equates to a breach of fair practice and risks regulatory liability under both domestic and international law.

Furthermore, **California Water Service’s** refusal to accept or respond to **verified financial instruments** issued in discharge of obligation conflicts with the Uniform Commercial Code (UCC), **Federal Reserve accounting policy**, and public utility obligations related to the provision of essential services.

Please be advised that the property located at 3704 Loudon Street is home to additional parties under the protection of the GM FAMILY TRUST. Any continued refusal to restore water services, or any act of obstruction, will be construed as willful intent to cause harm. Such acts will result in the filing of both civil and criminal charges for deprivation of essential needs and intentional hardship. The Trust will pursue all lawful remedies to protect its beneficiaries from discrimination, neglect, and undue harm.

You are hereby notified that **SOVR Development Holdings LLC** is formally assuming service contract rights, and you are directed to update your records accordingly, acknowledge the legal trust-based management in place, and immediately restore water service under this contractual vendor-client relationship.

All rights reserved. All legal remedies preserved.
